

Appendix 39

NATIONAL AND INTERNATIONAL INSTITUTIONS AND SOURCES OF INFORMATION ON MEDICINAL PLANTS

NATIONAL INSTITUTIONS

Central Council for Research in Ayurveda and Siddha, New Delhi

Central Council for Research in Unani medicine, New Delhi

Central Drug Research Laboratory, Lucknow

Central Institute of Medicinal and Aromatic Plants, Lucknow
(regional centre at Bangalore)

Council of Scientific and Industrial Research, New Delhi

Department of Biotechnology, New Delhi

Department of Science and Technology, New Delhi

Environment Resources Research Centre, P.B. No. 1230,
Peroorkada P.O., Tiruvananthapuram 695 005, Kerala

Indian Council of Medical Research, New Delhi

Indian National Orchidarium, Shillong

Medicinal and Aromatic plant Services, Publications and Information Directorate, Council of Scientific and Industrial Research, New Delhi

National Botanical Research Institute, Lucknow

National Institute for Medicinal and Aromatic Plants, Anand, Gujarat

Regional Research Laboratory, Bhubaneswar

Regional Research Laboratory, Jammu Tawi

Regional Research Laboratory, Jorhat

The National Bureau of Plant Genetic Resources, New Delhi

Tropical Botanical Garden and Research Institute, Tiruvananthapuram

University Grants Commission, New Delhi

INTERNATIONAL INSTITUTIONS

African Bioscience Network, The United Nations University,
Bethesda, Maryland, USA

All-Union Scientific and Research Institute of Medicinal
Plants, Leningrad, Soviet Russia

Ayurvedic Research Institute, Navinna, Maharagama, Sri Lanka

Botanical Museum and Arnold Arboretum, University of Harvard, Harvard, USA

Centre for Economic Botany, Royal Botanic Garden, Kew.

Drugs Control and Research Division, National Health Laboratories, Islamabad, Pakistan

Food and Agriculture Organisation (FAO), Rome, Italy

Hamdard Foundation, Karachi, Pakistan

Institute of Economic Botany: New York Botanical Garden,
New York

Institute of Chinese Materia Medica, Academy of Traditional Chinese Medicine, Beijing, China

Institute of Materia Medica, Beijing

Institute of Materia Medica, Shanghai, China

Institute of Organic Chemistry, Shanghai, China

International Biosciences Network (IBN)

International Council for Development of Under-utilised
Plants (ICDUP)

International Organisation for Chemical Sciences in
Development (IOCD)

International Union of Biological Sciences (IUBS)

National Institute for Biodiversity, Costa Rica

The National Cancer Institute, Bethesda, Maryland, USA

United Nations Economic, Social and Cultural Organisation (UNESCO)

United Nations Industrial Development Organisation (UNIDO),

World Health Organisation (WHO), Geneva, Switzerland

PROJECTS, NEWSLETTERS, MAGAZINES, JOURNALS

The ABB Newsletter: Asian Biotechnology and Biodiversity Farm Programme, Department of Biotechnology, New Delhi

Agroforestry: Newsletter, Jhansi

Amruth: Magazine of the Forundation for Rehabilitation of Local Health Traditions, Bangalore

AVS Sandesh: Newsletter of Arya Vaidya Sala, Kottakkal, Kerala

BDA Update: Biodiversity Data Management Project, Nairobi

Bija, the seed: Research Foundation for Science, Technology and Natural Resource Policy, New Delhi

Biobytes: Newsletter of Bioinformatics Centre, Madurai-Kamaraj University, Madurai

Biodiversity: Newsletter of the Indian Society for Conservation of Biodiversity, Tropical Botanical Garden and Research Institute, Tiruvananthapuram

BioDiversity: International Forestry Research, Jakarta

Biodiversity Conservation Strategy Update: World Research Institute, United Nations Economic Programme, Washington, DC.

The Biodiversity Coalition: International NGO network for Biodiversity Conservation, Tasmania, Australia

Biodiversity Support Programme: WWF, Washington, DC.

Biological Conservation Newsletter: Smithsonian Institution, Washington, DC.

Bionews: Biopolitics International Organisation, Athens, Greece

Biosphere Reserves: Bulletin of the International Network, Man and Biosphere Secretariat, United States Economic, Scientific, and Cultural Organisation, Paris

Botany-2000, Asia: UNESCO Newsletter, New Delhi.

Bulletin of the Botanical Survey of India, Calcutta.

The Crucible Group: Newsletter dealing with IPR, farmers, rural society and Biodiversity, IPGRI, Rome.

Diversity, GRCS: a quarterly journal with wide coverage

Down to Earth: Society for Environmental Communications, New Delhi

Eco News: CPR Environmental Education Centre, Chennai

Ethnobotany: an important journal

Ethnobotany: a Newsletter of the Society of Ethnobotanists, Central Drug Research Institute, Lucknow.

European Tropical Forest Research Network: Newsletter, Rome

Evergreen: Newsletter of the Kerala Forest Research Institute, Trichur.

FAO International network of Ex-situ collections.

Fauna and Flora International: Cambridge, UK.

G-15, Gene Banks for Medicinal and Aromatic Plants Newsletter, TERI, New Delhi

Global Neem Update: The Neem Foundation, Bombay

ICIS: International Crop Information System of CGIAR

Indigenous Knowledge and Development Monitor: The Hague

Indigenous People's Biodiversity Network: Ottawa, Canada

Indigenous Plant Use Forum: Sustainable use of South African Plants, Pretoria, SA

Indigenous Plant Use Newsletter: Institute of Natural Resources of South Africa, Scottsville, SA

International Co-operative Biodiversity Groups Program: Biodiversity conservation, sustainable development and drug discovery, Bethesda, USA

International Society for Ethnobiology: National Museum, Kenya

IPGRI Newsletter: for Asia, Pacific and Oceania, NBPGR, Pusa campus, New Delhi

Journal of Alternative Medicine

Journal of the Australian Natural Therapies

ManPhar Vaidya Patrika, Vijayawada

MFP News: Centre for Minor Forest Products, Dehra Dun

MPTS News: Multipurpose Tree Species Network, Sri Lanka

National Botanical Research Institute Newsletter, Lucknow

Neem Newsletter: IARI, New Delhi

People and Plants Handbook: for ethnobotany, conservation and community development, WWF-UNESCO-RBG, Kew, UK

People and Plants Initiative: WWF, Surrey, UK

Plant Genetic Resources Newsletter: IPGRI, Rome

Plant Talk: Plant conservation magazine, Richmond, UK

Plants and People: Newsletter of Society for Economic Botany, USA

Rheedea: a journal of the Indian Association for Angiosperm Taxonomy, Calicut, Kerala

SATIS: South Asian Taxonomist Information Service, Lucknow.

SINGER: System-wide Network for Genetic Resources, CGIAR.

Society for Ethnobiology: Missouri Botanic Gardens, St. Louis

The Rainforest Alliance: Conservation of tropical forests, social and economic justice in resource management, New York

The Science of Life, Coimbatore

Tropical Biodiversity: Indonesian Foundation for the Advancement of Biological Sciences, Indonesia

Tropical Forest Update: Yokohama, Japan

TROPIGEN: The Amazonia Network of Plant Genetic Resources; associated with CGIAR and IPGRI.

Vitae Civilis: Ethnobotany, Ethnopharmacology, Traditional Communities. Sao Paulo, Brazil.

Working Group on Traditional Resources, Oxford, UK

World Council for Indigenous People, Ottawa, Canada

World Rainforest Movement, Penang, Malaysia

World Resource Institute, Conservation and sustainable development, Washington, DC.

WWF Newsletter (quarterly), WWF-India, New Delhi
